Tea for Two or More!

I owned a Tea Room in my former life, before moving here, so, I've accumulated many teapots and tea novelties. I thought it would make a beautiful display to let them shine in a grouping of many shapes and patterns to bring out their splendor. What better way than in a vignette set on a beautiful table cloth of a floral pattern.

Join The FLOCK Against Breast Cancer

Pink Warrior Advocates is a local breast cancer nonprofit who serve warriors within our community by advocating for their emotional and financial well-being. Our unofficial mascot is a pink flamingo and we have been completely embraced and supported by our warriors, our volunteers and our community, which we lovingly call "OUR FLOCK" – our table theme is representative of that. Hot pinks, golds, ridiculous fun, and flamingos galore, encouraging words and so much more. And at the center of it all is what our mission is all about, our breast cancer warriors.
